- Open spaces are **OPEN**, with users required to follow social distancing guidelines.
- **ALL** social gathering is prohibited in parks. Park and trail users are required to stay **SIX FEET AWAY** from one another.

KNOW WHAT SIX FEET LOOKS LIKE

Lay a measuring tape on the ground. Six feet is the length of a surfboard, long yoga mat or adult bicycle.

DO NOT PLAY ON PLAYGROUNDS

Or any other frequently-touched amenities.

GO BY YOURSELF

Or with others you are currently living with.

AVOID CROWDED AREAS

If you can't enjoy a space safely, go home... Or try to find a new park!
